

## NECESSITY

Is the mother of Invention. Invention is a fine child and peculiarly American; so we don't wonder that Necessity likes to be recognized as his mother.

We want to introduce another child of Necessity named Reduction; for Necessity is the mother of Reduction, and though he is not a child that shows off like Invention, he is helpful in his way.

## SHEER NECESSITY

Forces us to make an all around reduction in every line, in order to reduce the excessive surplus of our summer stock. Our necessity is your opportunity, so don't delay, but come and get the benefit of manufacturers' prices.

We are the recognized leaders in all lines. Our cash system enables us to make two bargains for one, and to save money for other people. We buy and sell for cash, and we buy better and lower and sell better and lower than any credit-crippled competitor.

**WHAT** We wish to call your attention to this week is our large line of Shoes—every pair warranted to be the very best in every particular of make and material.

**WHY** We sell only the best is easily explained—the 'best' brings people back, holds custom, makes us friends and so establishes trade.

**WHEN** You want Shoes, you'll find us waiting—Monday, Saturday, Friday, Tuesday, Wednesday, Thursday—any day but Sunday.

**WHERE** We do business in the headquarters of the Shoe trade—perhaps we had better say footquarters. Why not?

**WHO** Are we? The carpenter is known by his chips—we by our Shoes. We are the reliable Shoe men.

Strained by Lightning. A bolt of lightning struck the yard gate post at Thomas Greer's, of Beas, Monday afternoon about 3 o'clock. John Greer, son of Thomas Greer, was in company with Alfred Brown, who was out near the gate at the time the lightning struck it. They had gone out to engage in a game of marbles. After the rain, some time since, Mr. Greer's little boy, named a little boy to the yard and kept their marbles in it. Alfred Brown was just in the act of putting his hand in the box to get the marbles when the bolt struck the post. Brown was immediately killed. His wife and children were just a few feet behind him. As soon as Alfred Brown took his brother and Alfred had been struck down, he ran and told his sister, and on his return, he met his brother-in-law, who was coming towards the home and they both turned and went back to the gate and took what was thought to be the lifeless form of Alfred Brown into the house, where, after considerable work, he was able to show signs of life. Holland got hurt.

Perhaps the best way to get hurt is to go with one's friend. John Holland and Miss Hallahan, both living near Schoolhouse school house, this county, eloped to Rockport, Ind., and were married. They returned from Owensboro as far as Hartford Saturday and walked from home on home about six miles. Hurt is about the only word that can be used to describe the condition of the young couple, who were married by a minister on a Sunday morning.
